PARTNERSHIP OPPORTUNITY

OntarioRoundUp.ca

Welcome

WHO WE ARE

Thank you for your interest in **OntarioRoundUp.ca** our all Equine Event Scheduling and Planning website. My name is Amanda Garrett, owner and creator of the site, and passionate barrel racer.

I love organization and planning, and used to spend most of the fall and winter building a Barrel Racing planner for myself and my friends. I wanted to plan my summer, and make the most of the short barrel season. Like Benjamin Franklin said, **“If You Fail to Plan, You Are Planning to Fail”!**

When creating my calendar, I spent a great deal of time sifting through different club social media pages and websites and transferring dates to my planner and it hit me - why do we not have a website here in Ontario that has all the barrel races listed in one place? So there, in those thoughts, this website was created!

What started with a focus on barrel races and rodeos, grew into more calendars and expanding into many different equine disciplines. Then the inquiries about advertising on **OntarioRoundUp.ca** starting coming in. All equestrians from dressage, hunter/jumpers and reining have the same basic need, to be able to easily and quickly plan for all seasonal events! **Ontario Round Up** is now a place for all horse owners to find an event, clinic or weekend of fun, enjoying the shared love of the horse.

I am very happy to be able to offer the opportunity to showcase our sponsors and local businesses with links directly to their own websites. We have so many amazing equine focused businesses, entrepreneurs, barn owners and trainers that offer so many services here in Ontario, what an amazing space to show off what is right on our doorstep!

One Platform

OUR PLATFORM

OntarioRoundUp.ca does not replace the event producers' websites or social media platforms. It is a comprehensive list of the events happening in our province, hosts, producers, clubs, and associations. Each event has a link to the hosts' site, where competitors will find all the details they will need for that event, from entry forms to fees and stalls. The vision of **Ontario Round Up** is to draw focus, grow, promote and support our love of equine sport in Ontario and help build stronger awareness of the businesses that keep this sport moving forward.

LIMITED ADVERTISING SPOTS AVAILABLE

We would be pleased to have you on board! A partnership with us provides you with advertising on **OntarioRoundUp.ca** and on all of our social media platforms for the entire year. Our media director keeps all platforms current and relevant, covering all disciplines across the entire province. Our advertising spots have high visibility, and our audience is growing at an incredible rate with a viewership reach of over 20,000 people for the 2022 Show Season. Not bad for our first year! Our plan is to double this reach for the 2023 season. Partner with us and put your business front and center with an audience from all across Ontario!

Check out our new **2023 Partner Package options** below to find a plan that best suits your budget and business goals.

Please let me know if you have any questions or if you have other ideas for advertising or collaborations that will aid in supporting your business and draw the attention of your future clients.

Kind Regards,

Amanda Garrett
